Vadio nonnullos esse, qui me non leuiter carpant, & officiorum numeros parum aptè obseruare me dicant: quòd cum aliquos mei ingenij fatus in arte Musica alias ediderim, eos potius alijs, quàm vobis dicarim: cum ijs potissimum, apud quos vitam ago, & à quibus diligere me sentio, iure debeantur. Ergo, & si qui hæc dictitant, idcirco id faciunt, quod causas, quæ me impulerint, ignorent; tamen, vt omnis obloquendi tollatur occasio, volui nunc, cum in eo genere nonnulla concinnassem, quibus diuina laudes concinuntur, ea vobis Viri Magnifici, & Optimi inscribere; vt non presentibus solum, sed & posteris etiam (si voces tamen nostræ ad posteros transibunt) mea erga vos obseruantia fidem faterentur: & vos quicquid mihi, & mei similibus tribuitis, non ingratis hominibus tribuere intelligeretis. Accipite ergo quicquid illud est, quod datur, animo benigno: & maiores etiam in posterum, si Musarum numina adspirabunt, voluntatis nostræ notas expectate. Valete.

QVATTVOR VIRIS, ET DECVRIONIBVS MVNICIPII MONTANEANENSIS.

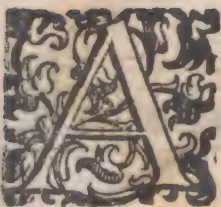

Franciscus Stiurius. S. P. D.

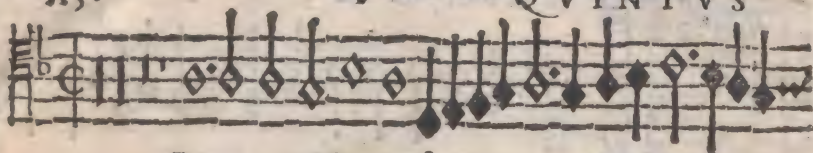

Vdio nonnullos esse, qui me non tantum carpant, & officiorum numeros parum aptè observare me dicant: quod cum aliquos mei ingenij factus in arte Musica alias ediderim, eos potius alijs, quam vobis dicarim: cum ijs potissimum, apud quos vitam ago, & à quibus diligere me sentio, iure debeantur. Ergo, & si qui hæc dicant, idcirco id faciunt, quod causas, quæ me impulerint, ignorent; tamen, ut omnis obloquendi tollatur occasio, volui nunc, cum in eo genere nonnulla concinnassem, quibus diuinæ laudes concinuntur, ea vobis Viri Magnifici, & Optimi inscribere; ut non presentibus solum, sed & posteris etiam (si voces tamen nostræ ad posteros transibunt) mea erga vos observantia fidem faterentur: & vos quicquid mihi, & mei similibus tribuitis, non ingratum hominibus tribuere intelligeretis. Accipite ergo quicquid illud est, quod datur, animo benigno: & maiores etiam in posterum, si Musarum numina adspirabunt, voluntatis nostræ notas expectate. Valete.
